~~Dear~~ Has another advance been given to him already? Is this for the same or a different house?

[illegible]

Dear Sir,

The Bylaws regarding the advance applied for by Secretary Rao in hot. for the house for which an advance was already granted for a different house in the Chamarajpet.

The advance already granted has all been repaid.

The Treasury official of the Vysyanagore Ch. who inspected the building reports that the Valuation of the house is between Rs 1500/- & 1800/- and a portion has yet to be completed. The Secretary

that Govt before giving the advance aluded to satisfy himself as to the title of the land on which the structure has been erected and that the applicant's interest may be taken as an additional security for the loan.

Submitted for orders.

7/3/04

The applicant had to give up his former house in consequence of a partition among the members of his family. He has very nearly completed his present house, and the house and the Insurance policy will both be security for the small advance now asked for from Govt. He tells me that he has an undoubted title to the site. Under these circumstances I think that the advance (Rs. 420) asked for may be sanctioned

Sheshagiri Rao, clerk, Demand's office made in his application for an advance of 6 months' pay for building his house in Chamarajapet, I have the honor to state that, the Vice-President, Bangalore City Municipality, reports that nearly three-fourths of the building has been completed, at a cost of nearly one thousand rupees.

Report of the inspection of the house
B Seshagiri Row Clerk Revenue & general
Secretariat Situated in Chamrajpet Extension

I inspected the house on the
29th instant. The Municipal Sub
overseer accompanied me to help
me in the valuation of the structure
and other Technical matters.
The applicant was represented by
his father who gave me the required
information which the applicant
afterwards corroborated. The original
loan of Rs 300/- granted in 1899
seems to have been fully cleared.
The present application is for another
house, not for that for which he
took the 1st advance. The first
house seems to be in possession
of his brother. The valuation of the
house I inspected is roughly Rs 1800
though the Sub overseer's estimate
is Rs 1860.

The Civil account Code Art. 136
Rule 4 Says that only an officer
may after his transfer to a new
Station be allowed an second
advance, provided the former
one has been Completely repaid
It seems therefore that a second
advance for a different building

the same City is not awardable
But taking the circumstances
of the case into consideration
it is submitted that the loan
may be sanctioned as he had almost
completed his structure though
a small construction yet remains
to be put up to make it comfortable
table. The owners' suggestion for
improvement are the building of
a kitchen, a bath room and
a store room and plastering the
inside of the walls. A point
on which I beg to invite the
attention of Govt. is that before
granting the advance Govt ought
to satisfy itself as to the title
of the land on which the structure
has been raised. He holds a
life policy in the Hale Insurance
and this may be taken as
additional security for the
loan
